SCFD responds to approximately 13,000 calls for service out of 11 fire stations. An approximate population of 100,000 which increases to well over 150,000 with visitors and workers due to high volume of tourism. As we continue to grow, we have identified needs for increased staffing and infrastructure replacement.

The men and women of the Sonoma County Fire District serve our communities with honesty, integrity, respect, and an unwavering commitment to excellence. Customer care and community involvement is our culture. "We have it all" when it comes to diversity of response areas, including a municipal airport, commuter rail, large wineries, a large rural area, a variety of businesses both large and small, a large wildlife preserve, major travel routes and one of the state's largest casinos.
