The District

Beginning several years ago, our District started the journey of annexation to merge several agencies into one, with the singular goal of increasing overall services to our communities. Today, we serve the Town of Windsor, Larkfield, Wikiup, Mark West, Mountain Home area, Middle Rincon Valley, Bennett Valley, Bellevue, The Graton Casino, Fulton, Russian River / Guerneville, and the surrounding unincorporated areas. As a newly formed agency, we have the rich history of great agencies with a new history in the making. We are a Special District managed by a seven-member elected Board of Directors.

We believe in providing the highest level of professionalism to our communities; therefore, we will remain committed to honesty and integrity.

We believe in a positive and professional work environment; therefore, we will treat everyone with respect and honesty.

We believe in the importance of flexibility and adaptability; therefore, we will welcome growth and change.

We believe that honesty is essential; therefore, we will be transparent in every aspect of service.

We believe being compassionate is essential; therefore, we will treat everyone with kindness.

The Sonoma County Fire District is seen as a leader in the fire-EMS industry. We have 45-line staff, 12 Apprentice Firefighters, and 25 volunteers. The administration includes a Fire Chief, two Deputy Chiefs, six Battalion Chiefs (shift, Fire Marshal, and Training / Safety), a Deputy Fire Marshal, two Fire Inspectors, a finance division, and administrative support. The District encompasses an area more than 195 square miles with a population of more than 75,000. As we continue to grow, we have identified needs for increased staffing and infrastructure replacement.

The men and women of the Sonoma County Fire District serve our communities with pride, integrity, and an unwavering commitment to excellence. Customer care and community involvement is our culture. “We have it all” when it comes to diversity of response areas, including a municipal airport, commuter rail, large wineries, a large rural area, a variety of businesses both large and small, a large wildlife preserve, and one of the state’s largest casinos. The Russian River runs through the district, surrounded by large wineries, farmland, and open space. With that kind of variety, there are no “routine” calls for service in our district.

In addition to a modern fleet of Type I and Type III fire engines, our district has a ladder truck, rescue, ALS ambulance, boats, jet skis, an OES USAR and Water Tender, and nine stations. We also have a FEMA-certified rescue dog and handler.
