**DOCUMENT 00 43 36 - PROPOSED SUBCONTRACTORS LIST**

Bidder submits the following information as to the subcontractors Bidder intends to employ if awarded the Contract.

Pursuant to California Public Contracting Code, Section 4100 et. seq., the following list gives the name, business address, and portion of work (description of work to be done) for each subcontractor that will be used in the work if the bidder is awarded the Contract. (Additional supporting data may be attached to this page.) Each page shall be sequentially numbered, and headed "Proposed Subcontractors" and shall be signed.

Name and location of the place of business of each subcontractor who will perform work or labor or render service to the prime contractor in or about the construction of the work or the improvement, or a subcontractor licensed by the State of California who, under subcontract of the prime contractor, specially fabricates and installs portions of the work or improvements according to detailed drawings contained in the plans and specifications in an amount in excess of one-half of one percent (0.5%) of the general contractor's total bid.

Contractor will not be permitted to change this listing without prior written approval of the Owner. If the bidder fails to stipulate a subcontractor for any portion of the work under this contract, it shall be understood that the Contractor will perform such work without subcontracting the same, and they will not be permitted to subcontract said work without prior written approval of the Owner. Contractor will be required to show a sample of the proposed subcontract to the owner prior to executing any subcontracts. The Owner will require that each subcontract have a provision where the subcontractor is assignable to the Owner.

The percentage of work, labor, or services which will be done or rendered by each subcontractor shall be provided by the Contractor
